vs.

Civil Action No. 05-CV-1297

GE Medical Systems Information
Technologies, Inc.
(Defendant)

Motion to Compel

Motion to Compel

There is some confusion coming from the defense concerning discovery. I have issued 8 interrogatories, 1 GEMS and 7 individuals, but the defense does not want 6 of the individuals responding to the interrogatories - something about the party can only response vs. the individual. It's my understanding that an interrogatory's purpose (discovery) is to question individuals of the defense. I would like to compel a response from all 7 individuals of the defense.

Respectfully submitted,
