Chris-

I am ready to announce our bid to run for President/Vice President in 2008. Of course, we are going to run under the Microsoft Platform. Please call me as soon as you get this! Call me on my private line!

What??? You've had my number for years!! I can't send it over e-mail. Every hacker in America would be calling me! Just think hard and it should come back to you. Otherwise, I will "contact" you soon....
