RE: 07-1887 Christopher Roller v. GE Medical Systems Information Technologies

Dear Mr. Roller:

The district court clerk has transmitted a notice of appeal in this matter, and we have docketed it under the caption and case number shown above. Please include the caption and the case number on all correspondence or pleadings submitted to this court.

Counsel in the case must supply the clerk with an Appearance Form. Counsel may download or fill out an [Appearance Form](#) on the "Forms" page on our web site at [www.ca8.uscourts.gov](http://www.ca8.uscourts.gov).

The court has established a briefing schedule for the case, a copy of which will be forwarded under separate notice of docket activity. Please refer to the schedule and note the key filing dates. You should also review [Federal Rules of Appellate Procedure](#) 28 and 32, as well as [Eighth Circuit Rules](#) 28A and 32A. Sample briefs are available on our website, the address of which is shown above.

The court will consider the case on the original file of the district court, and you do not need to file any additional record materials. If a transcript is required, you should contact the court reporter at the district court and make arrangements for production and payment. If you cannot afford a transcript and you have in forma pauperis status, you may file a motion with this court seeking preparation of a transcript at government expense. If you do not have in forma pauperis status and cannot afford a transcript, you must file a motion with the district court for permission to appeal as a poor person. Please note the motions for appointment of counsel are rarely granted in pro se civil cases.

The court has directed the clerk's office to monitor and enforce compliance with the briefing schedule. Failure to file your brief will result in issuance of a show cause order and may lead to dismissal of the appeal. Requests for extensions of time must be timely and should establish good cause. Overlength briefs are strongly discouraged.

Please note the provisions of Eighth Circuit Rule 32A governing briefs and reply briefs responding to multiple briefs.

If you have any questions about the schedule or procedures for the case, please contact our office.

Michael E. Gans  
Clerk of Court
