**RE: Christopher Roller v. GE Medical Systems Information Technologies, Inc.
Case No. 05-CV-1297 MJD/AJB**

Dear Judge Davis:

I am enclosing a copy of the Affidavit of Rich Adcock in Support of Defendant's Motion to Transfer Venue Pursuant to 28 U.S.C. § 1404(a). This affidavit was inadvertently not filed with the motion, memorandum of law and other affidavits filed on January 17, 2006. However, the averments in it are referred to in the memorandum of law, the affidavit does not add any new facts, and its contents are mostly identical to those averments contained in the other affidavits filed on January 17, 2006. I would further note that Plaintiff is allowed by the briefing schedule to provide responding material by February 9, 2006 so that he still may respond to the contents in the affidavit if he feels the need to do so (even though, as previously stated, the vast majority of its substantive averments are already contained in the memorandum of law that was filed).

If you have any questions, please call.

s/Judith A. Williams-Killackey
