**RE: Roller v. GE Medical Systems Information Technologies, Inc.  
Case No. 05-CV-1297 MD/JGL**

Dear Mr. Roller:

This letter is in response to the interrogatories and document requests you e-mailed to me on April 6, 2006. At this time, GE Medical Systems Information Technologies, Inc. ("GEMS IT") will agree to accept service of this discovery via electronic means.

GEMS IT will respond to the interrogatories and document requests directed specifically to it. With regard to the remaining discovery directed to specific individuals, Federal Rules of Civil Procedure 33 and 34 only allow discovery to be directed to parties and these individuals are not parties. However, GEMS IT will also treat the discovery directed to Robert Moore as being directed to it because he is a management level employee at this time.

If you have any questions, please call.

Very truly yours,

QUARLES & BRADY LLP
