- He believes that the CIA has been following him/watching him for many years
- The CIA has always somehow "arranged" that he would not get offered a job whenever the prospect of employment arose.
- He has been unemployed for the last seven months. He believed that Kelly did not want to hire him because of this. This was a "red flag" for her, but she made some phone calls and isn't afraid of him anymore.
- He believes that some one made a phone call to Norm and Kelly the night prior, (would have been Thursday) and explained his involvement with the CIA. "She is now one of them."
- The Truman Show was written about his life.
- His wife and mother use to think he was crazy when he talked to them about the fact he has been followed all these years. About 7 months ago they were "contacted" as well and now are actors in the show too.
- He has 500 wives/fiancées. Two he mentioned were Celion Dion and Cher. These women want him because of his superior DNA. He has been told he is a genius.
- He showed me an Internet joke that was circulating via e-mail a while back. He believes it was written about him and believes it proves that an affair he had 18 years ago produced a child whom he hasn't found yet.
- He wanted to give me a "heads-up". He believes that I might be next to be contacted. (He indicated Jen Roach as well) He asked if I could be his contact and find out why they are following him, he would be very grateful.
- He has psychic powers and can tell when someone is talking about him or thinking of him.
- He believes the CIA has contacted Hethe.
- He his going to run for president sometime in the future with Jesse Ventura
- He has confronted the people that he has seen following him and they deny it. His wife and mother also deny their involvement.
