

**United States District Court
District of Minnesota**

Christopher Roller

(Plaintiff)

vs.

David Copperfield's Disappearing, Inc
(Defendant)

Civil Action No. 07-1182 GNE/JJG

Motion to Disqualify Judge

Motion to Disqualify Judge

Judge Graham is working for Satan, doesn't like Chris Roller as God, can't believe Roller made the oath happen, and shouldn't be judging my cases due to conflict of interest.

CONCLUSION

For reasons stated above, I want a new judge, one that's impartial to the case, and actually likes me being God.
