Mr. Roller:

I am in receipt of your request that my client file a document with the court denying that it and its employees tried to poison you on August 24, 2000. I have already provided you with that assurance in writing.

My client will not spend any additional funds defending itself against your frivolous suit and thus declines your request. As to your threat that you will sue my client again, we are well aware of the recent court order sanctioning you and prohibiting you from bringing any additional litigation without legal representation.

Sincerely,

Nicole J. Druckrey

Was wondering. I'm concerned that your statement is not the truth. As
a

courtesy...could you submit your statement:

> No employee of GE Medical Systems tried to kill you, Chris
> Roller, nor assault you, or poison you in the days prior to
> 24Aug2000.

into the docket, to make it official with the docket. I'm trying to
show
something in my upcoming hearing and I need the statement entered.
Optional, send me the statement via mail notarized. Otherwise, I may
reopen
this case with you.
Thank you,
Chris
