(Defendant)

Civil Action No. 07-1296 (JRT/FLN)

Motion for Partial Summary

Motion for Partial Summary Judgment

There is an undisputed fact that State of Minnesota tried to kill Chris Roller. For this reason, Chris Roller is asking for partial summary judgment, seeking an injunction by the police to take me seriously when I'm trying to investigate crimes against me, and to stop trying to kill me. I seek relief from individuals Derek Woodford and Beverly Price for \$50,000 each.

Respectfully submitted,
