

**United States District Court  
District of Minnesota**

Christopher Roller

(Plaintiff)

vs.

Sioux Valley Hospital

(Defendant)

Civil Action No. 05-1420

**AMENDMENT TO  
MEMORANDUM OF LAW IN  
OPPOSITION TO MOTION TO  
DISMISS**

**FACTUAL STATEMENTS AND ARGUMENTS**

I'm sorry for so many amendments, just like I'm sorry the defense wronged me in so many ways.

I would like to point out discrimination statutes for treating me like an rabid animal when I said I was poisoned, and not treating me like a normal human being (not testing/treating me for poison).

Act	Statute	Statute of Limitations
ADA - Americans With Disabilities Act	U.S.C 42 Chap 21 ( VI) § 2000e-5	300 day
SDHRA - South Dakota Human Relations Act	S.D. Codified Laws § 20-13-31	180 days
MHRA - Minnesota Human Rights Act	Minn. Stat. § 363A.28, subd. 3	1 year.
CRRRA - Chris Roller Redemption and Restoration Act :)	SD § 20-13-31 and SD § 15-2-22	5 years.

I am focusing on SDHRA, specifically **SD § 20-13-1(16)**

(16) "Unfair or discriminatory practice," any act or attempted act which because of race, color, creed, religion, sex, ancestry, disability, or national origin accords unequal treatment or separation or segregation of any person, or denies, prevents, limits, or otherwise adversely affects, or if accomplished would deny, prevent, limit, or otherwise adversely affect, the benefit or enjoyment by any person of employment, labor union membership, housing accommodations, property rights, education, public accommodations, and public services.

### **CONCLUSION**

SD 15-2-22 and SD § 20-13-31 provides a 5 year extension to the statute of limitations in South Dakota, as the defense violated SDHRA - SD § 20-13-1(16) as another claim for relief. (filed/served before 5 year limitation when the incident occurred - 24Aug2000)

Respectfully submitted,
