The name of each victim, other than me, is: Dillon and Nicole Roller

How does each victim know the Respondent and what is their relationship? Bush is harming my immaculately conceived children (magic/remote children), names unknown.

If you are filing on behalf of another person, what is your relationship to each victim?

- 2. How many restraining orders have been in effect, ordering Respondent to stay away from the victims you

included at #1 above? none one two or more. For each restraining order provide:

- To get a Restraining order, you must describe actions that meet the legal definition of harassment in Minnesota. See the Instructions for the definition of harassment.
- One incident of physical or sexual assault can meet the definition of harassment. For any other act, there must be more than one incident.
- If you need more space, attach a full sheet of paper and continue your description there. Do not write on the back.

Respondent physically or sexually assaulted the victim as follows: Bush has molested my
immaculately conceived children (magic children) and is trying to kill me. see attached affidavit.

acts by Respondent show a pattern of attending public events while knowing that attending is harassing to
me/children.
